New Optional Uniform Item

On the request of our Senior Sector students and on the initiative of the Student Council, we are pleased to be introducing a new optional winter uniform item as from the coming scholastic year, in the form of a cosy, **long-sleeved, zip-up fleece**. This is essentially a long-sleeved version of the current gilet, which also remains an optional uniform item.

Similar to the gilet, this garment is to be worn over the green v-neck sweater, under the blazer or over the Track Suit in the colder months.

We would like to thank the students for this initiative which we have extended to all sectors from **Pre-Grade to Grade 12**.
